Protection zone

Resco Field Service 2.0 for Dynamics 365

Don't

All restrictions are also valid for other logo versions.

Colors

0066cc

HEX:

Secondary colors

HEX: f2a854

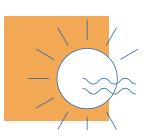

HEX: 000000

Graphics icons

These outlined icons can be used for all materials: brochures, one-pagers...

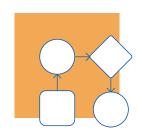

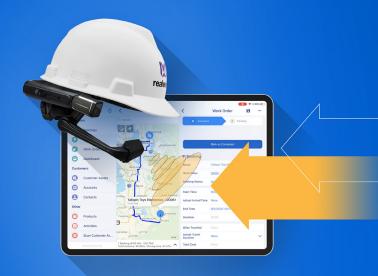

Examples

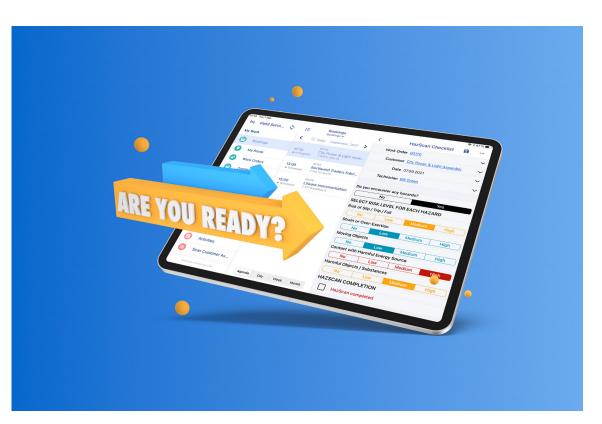

In general, the Resco Field Service 2.0 visual philosophy is to "keep it simple". Minimalist design based on blue color with a little bit of secondary color. Clear typo, without unnecessary ornaments.
